Welcome to our Weekly Newsletter!

**30th

2026**

Welcome to Holy Week at St Veronica's. Holy Week is one of the most important weeks in the Church's liturgical year. As a Catholic school, we are privileged to be in school this week to reflect deeply on Jesus' journey and Crucifixion.

Throughout the week, we will provide many meaningful opportunities for worship and reflection, helping our pupils to engage thoughtfully with this sacred time.

We warmly invite all parents, carers, and friends to join us during Holy Week to share in this special journey of faith and community.

We would like to extend our sincere thanks to all our parents who took the time to complete our recent survey. The Leadership Team has carefully analysed the responses and reflected on how we can continue to improve our school community.

Overall, the feedback was incredibly positive, and we are grateful for your support. We also received some valuable suggestions for improvement, which we have taken on board and hope to have addressed effectively.

I have attached the attached feedback document to your email for more details. Please remember that our door is always open, and we are always listening, as we work together as a community for the best interests of our children.

Thank you once again for your ongoing partnership. Wishing you all a lovely and peaceful week ahead and a lovely Easter Break.

Mrs Cawtherley

Sunday 29th March

Gospel: Matthew 21: 1-11

**Sunday 29th March 2026 is
Palm Sunday**

On Palm Sunday, Jesus came into the city of Jerusalem. He was on a donkey, showing that He came in humble peace. People had heard about Him and were excited to see Him. They expected that He might save them and they wanted Him to rise up and help them. They cheered "Hosanna", which means "save us!" They waved palm branches, which was like waving flags in a parade. These people wanted Jesus to have an end goal that included rescuing them from other people. But that was not the kind of salvation Jesus planned to bring. He knew what was coming. He knew that He had tougher times ahead. He would have to suffer and experience immense pain. His end goal was the cross.

Each week, we celebrate some of our shining stars in our Praise Assembly!

We have added a new award each Friday - a Mission Award for those children whom staff have witnessed embodying our Mission Statement.
