

Studying a small area in a non-European country

Prior Knowledge (EYFS) Polar regions, Spain, Google Earth, Labelling maps (Year 1) Hot and Cold Places (Year 2) The Place Where I Live	Key Vocabulary: Tanzania		I need to know: • Where is this area located? • How can you get to this place? How far is it? • What type of transport is used? • Identify the type of settlement. • What tourist attractions does this area have? • What are the lives of children in this area like? • Compare physical and human features of the area with features in the UK.
	Continent	A large area of land which contains countries.	
Links to other topics: Guided Reading	Equator	An imaginary circle around the earth.	
	Swahili	One of the main languages spoken in Tanzania	
	Mount Kilimanjaro	The highest mountain in Africa	
	Serengeti	An area in Tanzania which holds a large National Park.	
	Savannah	A large, flat area of land covered with grass, usually with few trees, that is found in hot countries, especially in Africa.	
	Plains	Large area of flat land	
	Grasslands	Large area covered by grasses	
	Wells	A hole in the ground to get water	
	Lake Victoria	Africa's largest lake	
	Tropical climate	Humid and hot	
Guided Reading / English	Settlement	Settlement is the place where people live.	
	physical features	Things that you can see all around you. Physical features like seas, mountains and rivers are natural.	
	human features	Human features like houses, roads and bridges are things that have been built by people. They are man-made.	
	symbols	On a map, symbols show what different things can be found in an area.	

Mapping skills and Vocabulary: • Compass directions NSEW • Land and sea • Aerial photos – recognise landmarks and human features • Symbols • Maps and globes at different scales • Bigger/smaller, near and far.	At the end of the topic, I will know: • That Tanzania is a country in East Africa. • That I can get to Tanzania by different transport, i.e. plane, boat. It takes over 11 hours to fly to Tanzania. • Travelling by bus is the most common form of transport in Tanzania. • That most people live in rural areas and live off what they can grow on the land. There are also big cities like Dodoma and Dar es Salaam. • That popular tourist attractions are the Serengeti National Park and Mount Kilimanjaro. • That after the age of 14 only about half of children go to school. • Some children collect water from a well. • That Tanzania has many lakes, mountains but also grasslands.
